The President, Dr. D. K. Pearsons, presided, and Mr. H. M. Sherwood acted as Secretary.

Dr. McPherson led in prayer.

The reading of the minutes of the last annual meeting, held May 10, 1889, was, on motion, omitted.

Mr. Bogue, Chairman of the Executive Committee, submitted the Managers' annual report.

The Treasurer, Mr. Geo. W. Hale, submitted his annual report, which was accepted, and, on motion, referred to the Auditing Committee. The report shows receipts to have been during the year \$212,895.38, and the disbursements to have been \$211,412.08, leaving a balance of cash on hand of \$1,483.30.

Dr. Stehman, the Medical Superintendent, submitted his annual report, which was accepted, and, on motion, referred to the Auditing Committee.

A ballot was taken for President, which resulted in the election of Dr. D. K. Pearsons. Dr. Pearsons stated that he must adhere to his announced determination, made some time since, not to again accept the presidency of the Hospital.

Another ballot was ordered, and on motion of Dr. McPherson, duly seconded, the Secretary was directed to cast the unanimous vote of the Society for the Hon. Geo. M. Bogue, for President.

On motion of Dr. Barrows, duly seconded, the Secretary was

directed to cast the unanimous vote of the Society for the election of the following officers, namely:

The retiring President at this point vacated the chair, whereupon the newly-elected President, Mr. Bogue, took the chair, and returned thanks for the honor conferred upon him.

On motion of Mr. Sherwood, Messrs. Douglass and Blair were appointed the Auditing Committee for the ensuing year.

The President called upon Dr. Barrows to close the meeting with prayer.

On motion, the meeting adjourned.

Sixth Annual Report

OF THE

BOARD OF MANAGERS

OF THE

PRESBYTERIAN HOSPITAL

OF THE CITY OF CHICAGO.

To the Members of the Society:

As required by the Constitution and By-Laws, the Board of Managers submit to the annual meeting of the Society the report of the Hospital for the year ending March 31, 1889, it being the sixth annual report of the Managers.

THE PAST YEAR'S WORK.

A comprehensive statement of the administration of the Hospital will be found in the reports and exhibits from the different departments in general. The work has been much like that of preceding years. The report of the Medical Superintendent gives a detailed statement of the cases treated, and the Society is to be congratulated that the high standard of excellence which has heretofore characterized the administration of the Hospital has been fully maintained during the past year.

The Hospital has been crowded during the year, and many applicants have been turned from our doors for want of room.

Number of patients treated during the year.....	879
Number of days of treatment.....	23,679
Patients cured.....	504
Patients improved.....	164
Patients unimproved.....	76
Patients died.....	45
Patients remaining March 31, 1889.....	90

The increased accommodations afforded by the completion of the Hamill Wing has enabled us to care for more patients than ever before.

RESOURCES OF THE HOSPITAL.

The affairs of the Hospital have been administered with the greatest possible economy, but the Managers regret to say that a considerable deficit has been incurred. Much additional expense has been involved,

We have some \$9,000 of an old debt still hanging over the Hospital, which amount will be considerably added to by the completion of the building of the L to connect the old building to the new Jones Memorial Building, and the Managers appeal to the benevolent people of this great city for prompt aid to help wipe out this indebtedness.

Dr. J. Adams Allen, who, for the past twenty years or more, has occupied a very conspicuous place in his profession as a practitioner and teacher in this city, and at present president of Rush Medical College, has generously donated his library, consisting of about 2,000 volumes, to the Hospital, for the use of the medical staff of the Hospital.

A room has been especially fitted up for this purpose. The library not only represents the medical and surgical history of this country, but also the best of the recent standard works of medical literature as well as a number of current periodicals for whose regular appearance Dr. Allen has kindly provided.

The Managers have, with pleasure, again to record the strong support rendered by the Ladies' Aid Society, and the Managers hope that every member of the Society will read the ladies' report, which is submitted herewith. If they will do so, the Managers feel confident that a great deal more enthusiasm will be manifested by every member of the Society.

The Managers are happy to announce that the hospital has received during the year a very large addition to the permanent endowment of beds. Mr. S. B. Cobb and Mrs. Wm. Armour have each endowed a bed in perpetuity; and the daughters of the late Henry Corwith have selected and endowed a room in perpetuity, paying therefor the sum of \$10,000.

Free beds have been supported during the year by the churches and individuals as follows:

First Presbyterian Church,	-	-	-	-	-	-	Two beds
First Presbyterian Church Sabbath School,	-	-	-				One bed
Second Presbyterian Church,	-	-	-	-	-	-	One bed

- BED FOR MINISTERS AND THEIR FAMILIES.

Third Presbyterian Church,	- - - - -	Three beds
A. Ladies' Aid bed.		
B. Deacon's bed.		
C. Mrs. Thos. Kane bed.		
Fourth Presbyterian Church,	- - - - -	One bed
Sixth Presbyterian Church,	- - - - -	One bed
Eighth Presbyterian Church,	- - - - -	One bed
First Presbyterian Church of Hyde Park,	- - - - -	One bed
First Presbyterian Church of Evanston,	- - - - -	One bed
The Ladies' Aid Society of the Presbyterian Hospital,	-	Two beds
The Y. M. C. A., by Mrs. S. G. Cleveland,	- - - - -	One bed
The Yoke Fellows, by Mrs. S. G. Cleveland,	- - - - -	One bed
The Mary McDivitt bed, by Mrs. S. P. McDivitt.		
The Mrs. C. B. Nelson bed, by Mrs. C. B. Nelson.		

NEW BUILDING.

The Managers are happy to chronicle the completion of the new building, and all who were present yesterday in the beautiful chapel of the magnificent "Jones Memorial" building, will ever remember the joy with which the completed Presbyterian Hospital—the hope long deferred—filled each heart of the large number present.

The munificent gift of \$100,000, by the heirs of Daniel A. Jones, added to the \$10,000 bequeathed to the Hospital by Mr. Jones, built the Jones' Memorial; and the L connecting the Jones' Memorial with the old building has been paid for by the generous gifts of our benevolent people, whose names will be found in the Treasurer's report.

The completed Presbyterian Hospital, which was yesterday so beautifully dedicated "to the use of God's sick and unfortunate children," represents a property worth \$250,000; is fire-proof throughout, and is as thoroughly equipped as any Hospital in the United States; and as we now enter upon a new era of usefulness, may we not hope that the beautiful thought expressed by the following quotation from Dr. Barrows' dedicatory address will be fully realized?

"May this Presbyterian Hospital of ours be so radiant with divine charity, so filled with the spirit of Christ, that the shadow it casts on the poor, sick and suffering, may be like the shadow of Santa Filomela among the wounded soldiers of England, like the shadow of the grand old presbyter in the streets of Jerusalem, and like the illuminated presence of the Court Lady of Milan, giving joy and healing and life, 'through all the centuries which are to come.'"

THE FIFTH ANNUAL REPORT
 OF THE
LADIES' AID SOCIETY
 OF THE
PRESBYTERIAN HOSPITAL
 OF THE CITY OF CHICAGO.

From year to year this Society finds its work, in every department, growing upon its hands.

The Hospital has been filled to its utmost capacity the greater part of the year, and the supplies of bedding, clothing for patients, table-linen and other house furnishings have been necessary on a larger scale than ever before. And there seems no prospect of a decrease in the responsibilities and opportunities of the Society, as the new Hospital is now ready for use, with enlarged space and increased needs.

The Society feels it a cause of great thankfulness, that to one of its number has been granted the high privilege of doing this noble work. It is known to most of you that the new building, soon to be dedicated with appropriate ceremonies, has been erected and completely furnished by Mrs. D. A. Jones and her daughters, Mrs. O. S. Newell and Mrs. N. H. Sabin. In its light and cheerful rooms, the care of the sick will be a much lighter and pleasanter task than, has been possible in the former contracted quarters.

The meetings of the Aid Society are held every month, and the reports of the Medical Superintendent and the different committees keep the Managers informed of the wants which they are expected to supply. These reports are always deeply interesting. It is cheering to learn that, with the antiseptic surgery of modern times, many cases are now cured which, even a few years ago, were considered hopeless; and this skillful treatment is at the service of the poorest sufferer who is brought to the door of the Hospital.

The blind are made to see; the lame to walk; deformed and misshapen limbs are straightened, and health restored to many who have endured years of pain.

A change in the system of nursing went into operation the first of October, and the nurses are now supplied by the Illinois Training School.

Lists of the bedding and other articles furnished will be given in another place.

A generous supply of delicacies for the sick has been sent each month by the different churches.

Many books and periodicals for the reading of convalescent patients have been added to the library—among other gifts, one of 225 volumes from Mr. S. B. Cobb.

The work of the Devotional Committee deserves special mention. The last hours of many of the sick, the hopeless and the dying, have been sustained and comforted by the faithful ministries of those to whose hands this delicate and devoted service is committed.

There have been many children in the Hospital during the year, almost all of whom have been cured or greatly improved. They have been remembered by the gifts of Sunday-school scholars, by whom one of the free beds for children is supported.

There are twenty free beds, and there will be opportunity in the new Hospital for many more. If the ladies of all our churches would join the Society as associate members, which can be done by the payment of \$1 a year, the number of free beds might be greatly increased by the money thus raised.

The Managers wish to express their thanks to all friends for gifts and encouragement, and to the proprietor of the Palmer House for the free use of a room for their monthly meetings.

Respectfully submitted,

JANE N. HIBBARD,
Secretary.

April, 1889.
